COASTGUARD: MARINE FABRIC

Coastguard® is a solution-dyed acrylic marine exterior grade canvas. This fabric is mold and mildew resistant and its proprietary finish gives it excellent water and stain resistance.

Coastguard's solution-dyed acrylic fiber gives the fabric brilliant colors. In the solution-dyeing process, the color becomes an integral part of the fiber by being added when the fiber is still in a liquid form, giving our marine fabrics colorfastness without fading or washing out.

With 25 colors to choose from, our color line includes the most popular marine colors. Coastguard fabrics offer new contemporary colors, plus unbeatable colorfastness and superior shape retention.

8-YEAR LIMITED WARRANTY

This limited warranty protects the original purchaser should the fabric become unserviceable due to color or strength loss from normal usage and exposure conditions, including sunlight, mildew and atmospheric chemicals.

The limited warranty coverage period is eight years from the date of original installation.

This limited warranty covers the fabric only. This limited warranty is valid with proof of purchase from the original purchaser. This limited warranty does not cover normal fabric care and cleaning; damage from misuse, abuse, or improper installation; or costs associated with replacement of the fabric, including labor and installation. Glen Raven's liability is expressly limited to this warranty. Glen Raven reserves the right to inspect the fabric submitted for claim.

Glen Raven will supply new equivalent fabric to the purchaser at no charge to replace the fabric that becomes unserviceable. Replacement fabric is warranted under the remaining term of the original warranty.

Consumers and end users: The fabric is normally a component of an end product. For warranty service, please contact the dealer or retailer from whom you purchased the end product.
